

# ST. DAVID'S PRESCHOOL

...a great place to grow!

To Our Partners in the Community:

St. David's Episcopal Church and Preschool will hold our **St. David's Celtic Celebration** on *Saturday, March 17<sup>th</sup>, 2018*. This fundraiser directly benefits the children of our preschool, as 100% of proceeds go directly to our educational programs. Last year over 250 people attended, and over 75 businesses contributed to its success. This year, we would like to ask you to consider a contribution.

St. David's Preschool has been providing excellence in early childhood education for over twenty-eight years! We also have a long history of reaching out with love and compassion, and advocating for social justice. Over fifty families per year count on St. David's Preschool for their children's early childhood education. We also award scholarships to several families each year to provide an early childhood educational foundation to children, who might otherwise be without.

**Please consider donating goods or services** from your business to be utilized at our event as opportunity drawing or silent auction prizes or being a **Sponsor for a game booth, activity or entertainment** at our family focused St. David's Celtic Celebration.
